

Oklahoma's Supreme Court is undeniably **LIBERAL**.

On Nov. 5, you have the power to fix it.

Every two years, Oklahoma voters have the opportunity to keep or remove justices on our state Supreme Court. On Nov. 5, you have the opportunity to remove three of the court's most **LIBERAL** members:

**Yvonne
KAUGER**

**Noma
GURICH**

**James E.
EDMONDSON**

SCAN TO SEE HOW THEY
SCORED ON THE OKLAHOMA
JUDICIAL SCORECARD

FACT: All three were put on the court by former Democrat governors.

Justices Kauger (age 87), Gurich (age 71), and Edmondson (age 79) were appointed many years ago by former Democrat governors. If voters fail to remove them on Nov. 5, these three **LIBERAL** activist judges will be 93, 77, and 85 years old when their terms end.

FACT: All three are **LIBERAL, activist judges.**

Justices Kauger, Gurich, and Edmondson scored a solid "F" rating on the Oklahoma Judicial Scorecard (OklaJudges.com), siding consistently against conservative judicial principles.

All three voted to kill common-sense lawsuit reform and workers' comp reform—providing financial windfalls to trial lawyers, adding millions to the cost of doing business, and damaging Oklahoma's economy.

**You have the power to
remove all three. It's simple.**

On Nov. 5, vote "NO" on whether **LIBERALS** Yvonne Kauger, Noma Gurich, and James Edmondson shall be retained on the Oklahoma Supreme Court.

<https://www.okhouse.gov/representatives/melissa-provenzano>

Melissa earned her Bachelor of Science degree in Organismic Biology from NSU and her master's in education Melissa's Alarming Voting Record: She believes transgender men should be able to compete against women, conveniently she did NOT show up to vote on biological sex restrooms. Melissa Voted Against 2nd amendment of Protect Firearms and Against Public Schools to arm some of the staff for safety of the students, especially with all the school shootings, and history proves, numerous children and teacher deaths could have been prevented if Schools were armed. Alarmingly, Melissa voted against protecting a baby after the heartbeat was found, (supports murdering a child in the womb), Melissa voted for Vaccine Passports, HB2335 which have been reported against Federal HIPPA LAW, against our Personal Liberties, US constitution, our rights over our bodies and privacy, and is a form of tracking individuals. Melissa has a near perfect Liberal VOTE RECORD as she Voted AGAINST Woman's Rights (ONLY 2 GENDERS) HB1449, and Voted AGAINST Stopping Abortion Drugs HB 3013, Voted AGAINST School Choice HB 1934, Against Stopping inaccurate CRT teaching HB 1397, AGAINST Stopping Radical transgender Surgery to CHILDREN and BABLIES. SB613. Voted against election integrity in Cleaning voter rolls HB 2974, AGAINST requiring a valid ID to Vote HJR 1048, AGAINST Integrity of Absentee Ballots HB3364 and AGAINST banning Zuckerbucks HB 2682. Voted AGAINST stopping the WHO/UN globalist agenda on vaccine mandates SB 426. Evidently, banning Drag Queen Shows to minors was about the only thing she supported and voted for in SB 1056.
